Are you looking for a space to hire in August?

Savernake Street Social Hall is a volunteer-managed community centre in Eastcott – between the Town Centre and Old Town.

It has two halls – one with a capacity of 40, the other 100. Both halls have small kitchens. The centre is situated in a quiet residential location, there is car parking on site for around 20 cars, WIFI access, PA system and a hearing loop.

Many of the regular day time activities in the centre will stop in the summer, and the managing committee is looking to see whether a local charity or community group would like to hire it during August.

The rates normally range from £8.75 to £15 an hour depending on the hall, nature of hire and status of the hirer (charities receive a reduced rate, for example), but there may be further reductions over the summer depending on the number of hours booked.
