## Voluntary Action Swindon

### Report of the Trustees for the Year Ended 31 March 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

The Board is pleased to report that the charity continued to deliver a good quality service to our stakeholders during 2019/20 making the best use of limited funding and resources.

Staff, Volunteers and Trustees worked well together to deliver a challenging and diverse set of objectives and I would like to extend my thanks to everyone for the part they each played in our successful delivery.

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The charity's object and its principal activity continues to be that of promoting any charitable purpose for the benefit of the community in the Borough of Swindon.

As the Council for Voluntary Services in Swindon we achieve this through providing funding and governance advice; training and other support services as well as encouraging collaboration. We also support Swindon Borough Council in delivery of its equality commitments, providing scrutiny and ensuring that the equality voice of the Swindon community has a platform.

Since April 2019 we have also delivered the Swindon Shopmobility Service helping people with mobility issues to continue to access town centre shops and facilities independently.

### **Public benefit**

Voluntary Action Swindon delivers public benefit indirectly by helping the broad range of charities and other voluntary organisations within the Borough of Swindon. Our range of services help to inform these charities, build their capacity and maximise their resources to deliver their valuable services within the community.

During the year we gave direct governance and funding advice support to 87 local groups and individuals. We also conducted focussed outreach work with the National Lottery Community Fund.

We continued to deliver our work to support the equality agenda in Swindon, hosting an equality workshop in February 2020 which brought together over 44 members of the community to help shape the equality priorities for Swindon.

Through effective management of the Sanford House Community Hub we have been able to encourage collaboration between the eleven charity tenants and use the space for convening and education. In addition, the re-investment fund we have been able to generate for the building has enabled a significant refurbishment and internal decoration programme to be largely completed.

VAS has continued to provide a voice for the local VCSE sector at a variety of key boards and forums.

Finally the impact of COVID-19 caught the last month of this financial year and VAS was at the forefront of local response, driving a call for volunteers under the banner of 'Compassionate Swindon' in partnership with Swindon Borough Council and the Swindon Volunteer Centre. Also launching a volunteer shopping scheme for those unable to shop for themselves during lockdown and working closely with the Swindon Borough Council and the Voluntary Sector and Parish Councils on a collaborative Swindon response to COVID-19.

## **ACHIEVEMENT AND PERFORMANCE**

- SBC Live Well hub and Voluntary Sector on food provision during the early stages of the COVID-19 pandemic

**FINANCIAL REVIEW**

**Investment policy and objectives**

The investment policy and objectives agreed with the Board is to minimise risk by spreading the investment of reserves to maximise the protection through the Financial Services Compensation Scheme protecting the first £85,000 of any savings. Also, to maximise return whilst ensuring available cash flow to meet liabilities and to be able to respond to emergency building repair issues.

## **FINANCIAL REVIEW**

### **Reserves policy**

The trustees have examined the reserves policy in the light of the predominant risks to the charity. The reserves are required to cover late payment, loss of contract and grant aid funding and other shortfalls of income so as to ensure full and timely delivery of, or appropriate exit from, planned programmes and ongoing provision of services.

The Trustees feel, given the breadth of services now being delivered by the charity, including directly delivering the vital Swindon Shopmobility Service, coupled with an ageing building, that unrestricted funds not committed or invested in tangible fixed assets held by the charity, should be sufficient to cover six months operational costs, any financial costs associated with restructuring, anticipated building repairs to the existing building as well as funds to identify and survey potential new property should this become necessary. A designated sum of £45,000 has been set aside for the property maintenance fund, £25,000 set aside for a new property fund and a further £100,000 for the operational reserve fund.

## **FUTURE PLANS**

Some of our immediate objectives for the next year include:

- Supporting the Swindon Voluntary Sector to recovery from the impact of the COVID -19 pandemic and adapt to new normal.
- Replacing lost income to VAS as a result of the COVID-19 pandemic.
- Continuing to facilitate collaboration between the Voluntary Sector and with the Bath and North East Somerset, Swindon and Wiltshire Clinical Commissioning Group and Swindon Borough Council.
- Supporting the national Voluntary Sector and Community Emergency Partnership (VCSEP) as liaison lead for Swindon and Wiltshire.
- Enhancing our training provision based on identified demand and to grow this revenue stream for VAS
- Continuing to develop an active Swindon Trustee network
- Improving the diversity of, and succession plan for the VAS Board of Trustees
- Continuing to provide advice, training and signposting to the Swindon voluntary sector to help build its capacity
- Continuing to raise the profile of VAS and our services, including revamping our website.
- Refreshing the Swindon Equality Coalition to provide a broader and more diverse voice to support equality issues.
- Developing a panel of volunteer Diversity Impact assessors to add an independent voice to Swindon Borough Council Diversity Impact Assessments.
- Improving the information and signposting within the My Local Offer web portal or developing an alternative voluntary sector directory that is fit for purpose.
- Representing the local VCS to key stakeholders and policy makers, helping to highlight needs in Swindon and being a voice and convenor for the local sector
- Ensuring ongoing community engagement with the £25m Swindon Towns Fund
- Continuing to support the further development/enhancement of services at Sanford House, through improvements to the physical aspects of the building, encouragement of collaborative working and maximise the use of the building as a convening and customer focussed resource.
- Continuing to develop Swindon Shopmobility into a high quality, well known and financially sustainable service.
- Looking for opportunities to build on our experience and increase our remit and impact.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

Voluntary Action Swindon is a charitable company, limited by guarantee. The charitable company was established under Memorandum of Association, which sets out the objects and powers of the charitable company and is governed under its Articles of Association.

### **Recruitment and appointment of new trustees**

The focus of the organisation's work is providing advice and general support to voluntary organisations within the Borough of Swindon. The aim is to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body, and to enhance the potential pool of trustees, the charity continually seeks to identify potential new trustees relevant to the nature of its work and to improve the diversity of the Board.

Business, social care and charity skills are well represented on the management committee. In an effort to maintain a broad mix, members of the management committee are requested to provide an outline of their skills and, in the event of particular skills being lost due to retirements, individuals are approached to offer themselves for election to the management committee.

**Organisational structure**

Members support the aims of the organisation and are invited to the Annual General Meeting. Members elect the trustees and these individuals are also company directors. The members of the Board are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting. In the event of the charitable company being wound up, members are required to contribute an amount not exceeding £1.

Voluntary Action Swindon can have a Board of up to 12 members who meet on a regular basis and are responsible for the strategic direction and policy of the charity. At present there are 7 members of the Board from a variety of professional backgrounds relevant to the work of the charity. The CEO also attends Board meetings but has no voting rights.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Induction and training of new trustees**

Most potential trustees are already familiar with the practical work of the charity, having been encouraged to join the Trustee Network, which offers advice, information, support and training opportunities.

An induction pack has also been prepared, drawing information from the various Charity Commission publications. This is distributed to all new trustees along with the Memorandum and Articles, and the latest financial statements. Training is made available to trustees throughout the year and they are encouraged to attend external events.
