TRUSTEES' RESPONSIBILITIES

Charity law requires the trustees to prepare financial statements which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- Follow applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

In addition to complying with charities' legislation the trustees are also required to have regard to the Statement of Recommended Practice, *Accounting and Reporting by Charities (Revised 2005)* (the SORP), published by the Charity Commissioners for England and Wales.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the SORP and the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

VOLUNTARY ACTION SWINDON

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2011

The trustees present their report and the financial statements for the year ending 31st March 2011.

Introduction

This report covers the period from the last reported year from 31st March 2010 to 31st March 2011.

Structure, Governance and Management

Voluntary Action Swindon is a charitable company, limited by guarantee. The charitable company was established under Memorandum of Association, which sets out the objects and powers of the charitable company and is governed under its Articles of Association.

Members support the aims of the organisation and are invited to the Annual General Meeting. Members elect the trustees or members of the management committee and these individuals are also company directors. The members of the management committee are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting. In the event of the charitable company being wound up, members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Management Committee

The focus of the organisation's work is providing advice and general support to voluntary organisations within the Borough of Swindon. The aim is to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body, and to enhance the potential pool of trustees, the charity continually seeks to identify potential new trustees relevant to the nature of its work.

Business, social care and legal skills are well represented on the management committee. In an effort to maintain a broad skill mix, members of the management committee are requested to provide an outline of their skills and, in the event of particular skills being lost due to retirements, individuals are approached to offer themselves for election to the management committee.

Trustee Induction and Training

Most potential trustees are already familiar with the practical work of the charity, having been encouraged to join the Trustee Network, which offers advice, information, support and training opportunities. An induction pack has also been prepared, drawing information from the various Charity Commission publications. This is distributed to all new trustees along with the Memorandum and Articles, and the latest financial statements.

Risk Management

The management committee has conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the building. The adoption of ISO 9001 ensure a consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

VOLUNTARY ACTION SWINDON

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2011

Organisational Structure

Voluntary Action Swindon has a management committee of up to 7 members who meet every six weeks and are responsible for the strategic direction and policy of the charity. At present the Committee of 7 members are from a variety of professional backgrounds relevant to the work of the charity. The Company Secretary also sits on the Committee but has no voting rights.

Objectives and Activities

The charity's object and its principal activity continues to be that of promoting any charitable purpose for the benefit of the community, the advancement of education and the furtherance of health, the relief of poverty, distress and sickness and to provide information, support and development services for the voluntary and community organisations in the Borough of Swindon and to aid their effectiveness.

The main objectives and activities for the year continued to focus upon the development of diverse, strong communities to enhance well-being and the quality of life by:

- Improving the capacity and quality of voluntary and community organisations;
- Facilitating liaison and collaboration in the voluntary and community sector and between the voluntary, public and private sectors;
- Enabling voluntary and community organisations to gain greater access to information, practical support services and facilities;
- Identifying and prioritising the needs of local communities and developing appropriate responses.

Public Benefit

Voluntary Action Swindon helps charities and other voluntary organisations on all levels without regard to the general background of those involved in the administration of the organisations, or the targeted beneficiaries of those organisations. By supporting voluntary organisations within the Borough of Swindon benefits percolate down to the needy sectors of the community in line with the objects of the charities in question, thus providing valuable service to those organisations, allowing them to utilise their resources more efficiently.

Achievements and Performance

The main areas of charitable activity are: engagement and facilitation - the provision of advice and information; training; hosting a trustee network; funding advice; group support; and the operation of a print room for voluntary and community groups.

From its premises at 1 John Street, Voluntary Action Swindon provides a wide range of services to voluntary and community organisations in the Borough of Swindon. These include:

Development: A rolling training programme and funding advice to set up and build the capacity of voluntary and community organisations.

Voice and Representation: Community development outreach work to identify and support existing groups. Information exchange with third sector network. Representation of voluntary and community sector interests to policymakers. A Voluntary & Community forum is held each quarter with key speakers, information sharing, networking, identifying needs of the sector.

Support Services: Print and design workshop, meeting rooms, equipment hire, a library, office space and information, CRB checks, hot desking, advice and guidance on Voluntary and Community sector matters.

Gateway Project: A team of advisors ready to offer free advice, information, support and guidance on the subjects of funding advice, running a group, youth activities and volunteering.

Achievements and Performance (Cont.)

UK Online Centres: Starting April 2010 free computer courses to introduce people to computers and the Internet. Courses range from the basics of using a mouse and keyboard, to using emails, shopping and banking online. This service has been a huge success with over 200 people using the facilities to improve their computer skills. We hope to continue and expand this service as the feedback from clients has been encouraging.

Local Involvement Network (LINK) : Involves local people in influencing their health and adult social services. LINK provides, amongst other things, a link between health and care service planners, providers and the public.

Between April 2010 and March 2011:

- 2200 people in total dropped in to use VAS's services
- 730 received telephone calls regarding general enquiries, referrals, advice and information
- 162 individuals dropped in for support and assistance
- 64 voluntary and community groups used VAS's printing facilities
- 85 individuals attended 9 training sessions, which included, trustee training, personal safety, fire safety, health & safety, and first aid training
- 70 groups received funding advice
- 7 new groups signed up to VAS as an umbrella organisation to undertake their CRB checks, 240 disclosures were applied for.

Voluntary Action Swindon has a unique role serving as a mediator between the public sector and the voluntary and community sector. Voluntary Action Swindon contributes significantly to bringing together the diverse sections of our community together, promoting the wider engagement and participation of the voluntary and community sector in the Swindon Strategic Partnership.

In order to strengthen the infrastructure of the voluntary and community sector in Swindon, a strategic plan is in place to implement the organisation's aims and objectives. This will give Voluntary Action Swindon a clear overview and the opportunity to support the development of a strong, vibrant, diverse and effective voluntary and community sector in Swindon.

The Gateway Project employs outreach workers to identify and locate new and existing groups that stand to benefit from increased infrastructure support. The Gateway Project provides generic advice, signposting and support to voluntary and community groups, by improving learning and the sharing of knowledge, helping with strategy and action planning, improving long-term sustainability, and improving operating skills. The Gateway Project particularly focuses on six neighbourhood renewal areas in Swindon, and this year has worked with in excess of 100 different group. The Gateway Project is delivered by Voluntary Action Swindon in partnership with the Volunteer Centre Swindon, Community First, and the Charities Information Bureau South and West. These partners are accountable to, and monitored by, the wider Empower Swindon infrastructure consortium.

The VOICE Project aims to strengthen the voice of those in the voluntary and community sector. To this end, VOICE workers undertake community development outreach work to identify and support new and existing groups, organise community engagement activities, ensure that the voluntary and community sector is represented on key partnerships and sector specific partnerships, organise training courses and workshops, and operate an online database of voluntary and community groups, which the groups can sign up to free of charge.

The LINK is a network of individuals and organisations with a small steering group at its centre. It has the challenging task of promoting and supporting the involvement of people in the commissioning, provision and scrutiny of local health and adult social care services, making these views known and making reports and recommendations about how local care services could or ought to be improved to those responsible for commissioning, providing, managing or scrutinising them.

VOLUNTARY ACTION SWINDON

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2011

Reserves Policy

The Trustees have examined the reserves policy in the light of the predominant risks to the charity. The reserves are required to cover late payment, loss of grant aid funding and other shortfalls of income so as to ensure full and timely delivery of, or appropriate exit from, planned programmes and ongoing provision of services. A policy has been established whereby unrestricted funds, not committed or invested in tangible fixed assets held by the charity, should be four months of running costs. A designated sum of £70,000 has been set aside for the property maintenance fund and a further £55,000 for the operational reserve fund. A designated sum of £10,000 has been set aside for the property fund, which will allow Voluntary Action Swindon to identify new premises and pay for surveyors and architects, when appropriate. Voluntary Action Swindon will continue to build reserves through planned operating surpluses.

Investment Policy

The service's excess funds have historically been held in the CAF Charities Aid Foundation. The current account is regularly reviewed and any funds not needed in the short term are invested in the CAF fund.

Plans for Future Periods

Our strategic aims for the next three years 2010 - 2013 are:

- To improve the capacity and quality of third sector organisations
- To facilitate liaison and collaboration within the third sector and between the voluntary, public and private sectors
- To enable third sector organisations to gain greater access to information, practical support services and facilities
- To identify and prioritise the needs of local communities and develop appropriate responses.

We also report to you whether in our opinion the information given in the Trustees' Annual Report is consistent with those financial statements.

In addition, we report to you if, in our opinion, the charity has not kept proper accounting records, if the charity's financial statements are not in agreement with the accounting records and returns, if we have not received all the information and explanations we require for our audit, or if certain disclosures of trustees' remuneration specified by law are not made.

We read other information contained in the Trustees' Annual Report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

VOLUNTARY ACTION SWINDON

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

a) Basis of Accounting

The financial statements have been prepared under the Historical Cost Convention and in accordance with the Standard of Recommended Practice, *Accounting and Reporting by Charities 2005 (Revised 2008)* and applicable accounting standards.

b) Voluntary Income

Voluntary income is received by way of donations and grants and is included in full in the income and expenditure account when received.

c) Donations in Kind

The charity is fortunate in the level of support it receives from its volunteers. Without this voluntary support, considerable expense would be incurred. It is not thought meaningful or practicable to put a monetary value on the support but the committee is grateful to those who provide it.

d) Grants

Grants receivable and payable are included in the financial statements when received or paid. Where grants are received or made for a defined period any amounts relating to a period extending beyond the charity's accounting date are deferred.

e) Restricted and Unrestricted Funds

The financial statements distinguish between restricted and unrestricted funds. The former are received from donors and are subject to restrictions on the purposes for which they may be used. Unrestricted funds are those where there are no externally imposed restrictions. They include those freely available to the charity for expenditure or appropriation to reserves for internally designated purposes.

f) Depreciation

Depreciation is calculated to write off the cost, less estimated residual values, of tangible fixed assets over their expected useful lives, as follows:

Freehold Property	Nil	
Property Improvements	25%	Reducing Balance Method
Office Equipment	25%	Straight Line Method
Leased Assets	Amortised over the term of the lease	

In the opinion of the trustees, depreciation on freehold property is not required as the residual value of the asset to the charity is greater than its net book amount.

g) Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Note 3.

VOLUNTARY ACTION SWINDON

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES (CONT.)

h) Finance Leases

Assets acquired under finance leases are capitalised in the balance sheet and are depreciated in accordance with the company's normal policy. The outstanding liabilities under such agreements less interest not yet due are included in creditors. Interest on such agreements is charged to profit and loss account over the term of each agreement and represents a constant proportion of the balance of capital repayments outstanding.

i) Restricted Funds

The charity's restricted funds have the following purposes:

- (i) Hawksworth Revenue Account, Social Care, Dalmatians
Funds primarily concerned with providing relief from poverty in the local community.
- (ii) RTPC, VOICE, BASIS, Future Jobs Fund and UK Online
Grant income received in order to be defrayed on predetermined expenses.
- (iii) SBC Link
Funds applied to expenditure on health and social care.
- (iv) Capacity Builder
Grant income received to provide additional support to third sector development.
- (v) Awards for All
Fund dedicated to the equipping of a training room.

j) Designated Funds

The charity's designated funds have the following purposes:

- (i) Property Maintenance Fund
Fund to provide for any emergency and major repairs and refurbishments as and when required.
- (ii) Operational Reserve Fund
Funds set aside equivalent to four months of core operating costs of the organisation in accordance with the reserves policy mentioned in the Trustees Report.
- (iii) Property Fund
Funds set aside to cover costs to identify new premises and pay for surveyors and architects fees.

k) Pension Scheme

The charity operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the charity in an independently administered fund. The pension cost charge represents contributions payable by the charity to the fund and amounted to £7306 (2010 £11410).
